ACT#: 28-1SS

SECTION#: 10

EXECUTIVE RECOMMENDATION

~~COUNTY OPERATIONS—RECORD RETENTION. It is determined by the General Assembly of the State of Arkansas that immediate needs of TEA recipients must be met to enable that recipient to obtain and maintain work. In many instances these needs are not immediately met because of the original documentation requirements of the Accounting and Budgetary Procedures Law. For this reason, the case management field staff of the Department of Human Services is authorized to approve up to \$500 per TEA client to be disbursed for employment needs of the client from accounts designated for that purpose. Further a facsimile copy of the client completed form (DCO Form #1430 or successor) or a facsimile copy of a vendor's invoice is sufficient documentation for expenditure records. All original documentation shall be maintained in the county office authorizing the expenditure.~~

~~—The provisions of this section shall be in effect only from July 1, 2003 through June 30, 2005.~~
